Gujarat rolls out major TD and DPT vaccination campaign covering over 48,000 schools

Gandhinagar, Gujarat has launched a statewide TD (Tetanus and adult Diphtheria) and DPT vaccination campaign targeting nearly 19 lakh schoolchildren, with health authorities aiming to ensure that no eligible child is left unvaccinated against a range of serious diseases.

The "TD and DPT Triple Vaccination Campaign-2026" was formally launched by State Health Minister Praful Pansheriya at PM Shri Borij Government Primary School in Gandhinagar, where vaccines were administered to Class 5 and Class 10 students as well as children who had completed five years of age.

Under the campaign, the state government will organise 48,529 TD vaccination sessions across 48,295 schools to cover an estimated 18.75 lakh children.

The drive will be supported by 992 teams operating under the Rashtriya Bal Swasthya Karyakram (RBSK). As part of the National Immunisation Schedule, children aged five years are administered the second dose of the DPT booster vaccine. To facilitate this, authorities will conduct 35,819 vaccination sessions across 38,794 Balvatikas, covering an estimated 5.89 lakh children. Addressing the gathering, Pansheriya said healthy citizens form the foundation of India's long-term development goals. "The dream envisioned by Prime Minister Narendra Modi of a 'Best India, Developed India, Cultural India and Virtuous India' by 2047 rests on the foundation of healthy citizens," he said.

India's structural growth story remains strong

Ahmedabad, Ventura today hosted a webinar titled "Current Market Opportunities: Sectors, Stocks, FII Flows, Macro & Geopolitical Insights", wherein it highlighted that despite global geopolitical uncertainties and periodic market volatility, India's long-term growth outlook remains constructive, supported by strong macroeconomic fundamentals, healthy corporate balance sheets and sustained domestic participation. Sharing Market Outlook, Vinit Bolinjkar, Head of Research, Ventura said, "India remains one of the most attractive investment destinations globally, supported by strong macroeconomic fundamentals, policy continuity, increasing domestic participation and a resilient corporate earnings cycle. We continue to see promising opportunities across healthcare, power equipment, financial services, technology and emerging themes such as recycling and energy transition. While investors should remain mindful of geopolitical developments and global market volatility, the medium- to long-term outlook for Indian equities remains constructive. (13-9)

CM Mann should not confront Akal Takht, says Punjab BJP chief Dhillon

Chandigarh, Punjab Bharatiya Janata Party (BJP) President Kewal Singh Dhillon said on Tuesday that Chief Minister Bhagwant Mann should not confront Sri Akal Takht Sahib, because those who have done so in the past "were left with nothing". Dhillon told the media here after several leaders from the Congress and the Shiromani Akali Dal joined the BJP and said that instead of making statements against the decisions of Sri Akal Takht Sahib or adopting a confrontational approach, CM Mann should appear before it as a true Sikh, acknowledge his mistake, and seek forgiveness from the 'panth' (the Sikh community). He appealed to the state government's Ministers who are Nanak Nam 'leva', IAS officers, and all officers and employees serving in the government that until CM Mann is forgiven by Sri Akal Takht Sahib, they should comply with its directives and refrain from holding meetings, engaging in conversations, or maintaining any other form of contact with him. Responding to a question regarding Chief Minister Mann's claim that the objectionable purpoted video does not belong to him, Dhillon remarked, "Does any thief ever admit that he has committed theft?"
