ABD's Integrated Manufacturing Facility at Rangapur

Ahmedabad, Allied Blenders and Distillers Limited (ABD), the largest domestic spirits company by volume in India, has been awarded the Best Factory/Management Award for its integrated manufacturing facility at Rangapur, Wanaparthy district, Telangana. The recognition was conferred by the Labour, Employment, Training & Factories Department (LET&F), Government of Telangana, during the Labour Day celebrations held on 1st May 2026. ABD's Integrated Manufacturing Facility at Rangapur is one of the company's key production hubs, comprising an ENA distillery, an IMFL bottling unit, and a PET bottle manufacturing plant which was recently commissioned in September 2025. This integrated infrastructure grants the organization enhanced oversight of production cycles, cost structures, and supply chain logistics. The facility's capabilities are set to expand with an upcoming malt distillery, a strategic addition designed to bolster ABD's premium portfolio and establish robust single malt production capabilities. The facility has a total workforce of approximately 1,500 and stands out for its strong gender diversity, with women constituting around 50% of the workforce. Industrializing a large-scale, formal industrial presence here, ABD has opened new pathways to skilled and semi-skilled employment for local communities, providing stable livelihoods and expanding economic opportunities in the region. Havmor Ice Cream Brings Street-Style Nostalgia

Ahmedabad, Havmor, part of LOTTE India Corporation Pvt. Ltd., has launched its latest innovation-Guava Chilli Ice Cream, inspired by the much-loved Indian street-style combination of guava sprinkled with chilli and masala. Rooted in a familiar taste memory, the new flavour delivers a balanced blend of sweet, tangy, and spicy notes staying true to Havmor's philosophy of evolving existing preferences rather than reinventing them. A Familiar Taste, Reimagined - Guava Chilli Ice Cream captures the essence of a nostalgic street-side experience and translates it into a creamy, indulgent format. Crafted with 25% fruit preparation, the product reinforces real fruit credentials while retaining Havmor's signature milk-based richness. Interactive by Design - Enhancing the experience is a special chilli masala sachet, allowing consumers to adjust spice levels to their liking. This dual-format approach adds a layer of customization, making the product more engaging and shareable-particularly appealing to younger consumers seeking discovery-led experiences. (20-4)

Force Motors launches New Force Traveller N Range

Ahmedabad, Force Motors Limited, India's largest van maker and a leading automotive manufacturer, today launched the New Force Traveller N Range comprising of ambulance, delivery van, and school bus applications. Significantly enhancing the company's product portfolio, with meaningful improvements in comfort, convenience, reliability, and performance, while also helping reduce total cost of ownership and simplify maintenance—the new Force Traveller N Range delivers a more refined and elevated experience across every customer touchpoint. With this launch, Force Motors will transition entirely to the new Force Traveller N Range, with all future production aligned to the new range, replacing the current-generation Traveller. IESA Applauds ECLGS 5.0

Ahmedabad, The India Electronics and Semiconductor Association (IESA), the apex industry body representing the ESDM sector, welcomes the Union Cabinet's approval of the Emergency Credit Line Guarantee Scheme (ECLGS) 5.0. The scheme's 100% credit guarantee support for MSMEs, zero guarantee fee, and additional working capital access will provide critical liquidity support to businesses navigating global supply chain and geopolitical disruptions. MSMEs form the backbone of India's electronics manufacturing ecosystem, accounting for a significant share of component manufacturing, EMS, repair and refurbishment services, semiconductor supply chains, tooling, materials, and design-led innovation. Almost 75% of applications for recent highly impactful ECMS scheme were from MSME sector. MSMEs contribute nearly 30% to India's GDP, around 35% of manufacturing output, over 45% of exports, and employ more than 32 crore people nationwide. –

Bodh Gaya Witnesses the Historic Spiritual Pilgrimage

Ahmedabad, On the sacred occasion of Buddha Purnima, Jagadguru Sai Maa, a world-renowned living saint, spiritual healer, humanitarian, and the first female Jagadguru in the 2,700-year-old Vishnuswami tradition, led a six-day spiritual pilgrimage and special spiritual programs in Bodh Gaya. The event brought together spiritual seekers, saints, gurus, Mahamandaleshwars, spiritual leaders, and devotees from more than 40 countries. All the programs were held on the sacred land where Gautama Buddha attained enlightenment. Sai Maa shared that Bodh Gaya is not just a place, but a center of self-realization, truth, and higher consciousness. On this occasion, Sai Maa said "Bodh Gaya is our original state, our true nature, our deepest experience. The purpose of spiritual practice is not to become something. Under the Bodhi Tree, Buddha did not become something new-he simply saw the truth beyond all illusion. There is no separate existence there." An International Inner Peace Conference was organized at Wat Thai Magadh Buddhist Vipassana Monastery. (13-9)

Siemens over first set of 9000 HP electric locomotives

Ahmedabad, Indian Railways marked a significant milestone in India's rail freight modernization journey with the commencement of commercial operations of 9000 horsepower (HP) electric freight locomotives. Designed for heavy-haul freight operations, the D9 electric locomotives of 9000 HP represent one of the most powerful freight locomotives deployed in the world with speeds of up to 120 km/h. The commencement of commercial operations follows a record execution timeline, with the locomotives entering commercial operations within 36 months from the contract date, one of the fastest deliveries for a project of this scale in the Indian rail sector. The project is being executed under a long-term availability-based lifecycle partnership model, covering the design, manufacturing, commissioning, and 35 years of full-service maintenance. Locomotives are being manufactured at the Indian Railways' factory in Dahod, Gujarat, while maintenance will be undertaken at depots in Visakhapatnam, Raipur, Kharagpur, and Pune, supporting sustained performance and high fleet availability. Tata Motors Launches the All New Ace Gold+ XL

Ahmedabad, Celebrating 21 years of the iconic Tata Ace, Tata Motors, India's largest commercial vehicle manufacturer, today marked a key milestone in last mile mobility with the launch of the all new Tata Ace Gold+ XL. Thoughtfully evolved for higher payloads and longer body applications, the new variant extends the Ace portfolio to meet the changing needs of last mile logistics. The Ace Gold+ XL carries forward the legacy of a nameplate that reshaped small cargo movement in India and continues to support the aspirations of a growing and diverse entrepreneur base. To mark the milestone, Tata Motors has also rolled out the 'Ikkis Saal Bemisaal' campaign-a nationwide initiative celebrating the entrepreneurs who have built their livelihoods with the 'Chota Haathi' at the heart of their businesses. The campaign brings together customer centric initiatives, including additional benefits of up to ?21,000 for women entrepreneurs, reinforcing Tata Motors' long standing commitment to inclusive growth. Launching the new model, Mr. Pinaki Haldar, Vice President & Business Head - SCVPU, Tata Motors Ltd., said, "With the launch of the all new Ace Gold+ XL, Tata Motors advances the next chapter of India's most transformative commercial vehicle-one that continues to evolve to meet the needs of modern intra city and last mile logistics.(20-4)

ICSE and ISC Class 10 and 12 results declared

Ahmedabad, The results of the ICSE and ISC board class 10 and class 12 examinations have been declared. 99.30 percent of class 10 and 98.95 percent of class 12 results have been declared. The exams were scheduled in February and March. However, this time the results of female students have been more than male students. However, it has come to light that the results of the controversial Seventh Day School have not been declared. The Seventh Day School has claimed that the results have not been declared due to technical reasons. Girls outperformed boys. The ICSE Board Class 10 examination was conducted in 67 subjects in 20 Indian languages, 14 foreign languages ??and one classical language. On the other hand, the ISC Class 12 examination was conducted in 45 subjects in 13 Indian languages, two foreign languages ??and two classical languages. In which the result of girls was declared as 99.46 percent while the result of boys was declared as 98.93 percent.
