High Court grants interim stay on Gujarat Medical Council decision

Three doctors suspended for going on foreign trip at company expense

Ahmedabad

The Gujarat High Court has granted an interim stay on the suspension measures taken by the Gujarat Medical Council (GMC) against three renowned dermatologists of the state on charges of travelling abroad at company expense. The GMC had ordered the suspension of these doctors by removing their names from the state medical register for 13 months.

What was the whole controversy?

On June 30, the GMC suspended Dr. Jagdish Kumar Sakhiya of Surat, Dr. Ami Shah and Dr. Geeta Patel of Ahmedabad. It is noteworthy that Dr. Sakhiya is the president of the 'Indian Association of Dermatologists, Venereologists and Leprologists'. These three doctors were also among the 30 Indian doctors who traveled to Monaco and Paris under the sponsorship of a company in 2024. As such trips are prohibited as per the rules of the Medical Council, the investigation was handed over to the GMC based on an anonymous complaint filed before the National Medical Commission (NMC).

The three doctors had approached the High Court against the order to remove their names from the register from August 30, 2026 to September 29, 2027. The doctors submitted that they had gone to attend a training session on anti-aging treatment organized by a multinational company so that other doctors could be trained in India. A total of 15,000 doctors from all over the world participated in this program. The agreement clearly stated that the doctors were not associated with the company's products and would not promote them. Corporate rivalry may be responsible for this anonymous complaint filed before the NMC.

Legal questions against GMC's process

The doctors' lawyers had drawn the court's attention to the fact that the GMC had violated its own rules. The GMC cannot entertain any anonymous complaint. According to the rules, procedures such as giving notice to the doctor, providing documents, providing legal assistance and opportunity to reply (Rule 84) and conducting an investigation (Rule 88) are prescribed, but except for the notice dated December 12, 2025, all the procedures were stopped on June 30 itself. The company that organized the conference was only reprimanded, while the doctors were given a hefty punishment of 13 months' suspension.

After the initial hearing, the High Court has issued a notice to the Gujarat Medical Council (GMC) to submit its reply by September 8. Along with this, the court has clarified in its order that interim relief (stay) is given to the doctors as per Para 9(B) in all the applications till further orders.

Decided to give scrap worth 10 crores and got money

Ahmedabad scrap traders cheated Faridabad company of 1.60 crores

Ahmedabad

A case has come to light in which two persons, who have an office at Fortune Business Hub in Ahmedabad's Science City, cheated a private company in Faridabad of Rs 1.60 crore by making a deal of aluminium scrap worth Rs 10 crore. In this matter, the sales manager of the Faridabad company filed a complaint with the Economic Offences Wing (EOW) of the Ahmedabad Crime Branch, and the police have taken up the investigation.

A deal of 500 tonnes of scrap material was made.

According to the complaint filed by Kuldeep Jain, sales manager of Faridabad's 'Wami Tech Solutions Pvt. Ltd.' company, his company is in the business of buying and selling aluminium scrap. Last year, through his friend Gaurav Yadav, he came in contact with Pravin Singh Rajusingh (Res. Monarch Elegance, Jhundal) of Ahmedabad. A meeting was held at Pravin Singh's office at Fortune Business Hub in Science City. Where Pravin Singh claimed that he buys aluminium wire from the government through tenders and keeps the stock in a godown at Kathwada, which is managed by a person named Umedbhai. After Kuldeep Jain went to the Kathwada godown and selected the goods, it was decided to give 500 tonnes of scrap for ?10 crore.

Received ?4.59 crore, sent goods worth only ?3.06 crore

After the deal was finalized, ?4.59 crore was transferred from the complainant company. However, against this amount, the accused sent goods worth only ?3.06 crore. Apart from this, the accused had also paid ?8.34 lakh separately as GST. By not returning the remaining goods or money, Pravinsinh Rajusinh and Umedbhai of Ahmedabad cheated the Faridabad company of a total of ?1.60 crore. In this regard, the EOW Crime Branch has registered a case and started further legal action.

Professor slapped a student twice during the ongoing exam

Ahmedabad, A CCTV footage has surfaced of a professor slapping a student twice during an ongoing exam at Ahmedabad's L.D. Engineering College. The CCTV footage, which is going viral, is believed to be from June 2. During the exam in the college, for some reason, a student and a professor got into an argument over something, and the professor became furious and slapping the other students twice, leaving them terrified. There has been anger among the students as no action has been taken even after the student lodged a complaint against the supervisor (professor) in the college regarding the incident of June 2. So, the college has asked the Technical Commissioner to take action in this matter.

CCTV of a student being slapped twice in the examination room At Ahmedabad's L.D. Engineering College on June 2, 2026, there was an argument between a student and the supervisor (Professor) D.S. Patel during the theory examination. At this time, the professor became furious and slapped a student twice in the presence of other students. The student, who was frightened by this incident, had also complained in writing to the administrative department against the supervisor at that time. However, even though it has been more than a month since this incident, no action has been taken against the supervisor yet. The Commissionerate of Technical Education and the Education Department have also demanded that action be taken against Professor D.S. Patel as per the rules and justice be done. If no action is taken and the student takes any step, then the responsibility will be on D.S. Patel, it has also been stated in the complaint. We cannot take action against Class-1 and Class-2 employees - Principal L.D. Nilay Bhupatani, Principal of Engineering College, said that the student had complained to us about the incident that happened during the exam. No student can be killed in this way. Therefore, based on the complaint, a report has been prepared after taking into account the submissions of both the parties and sent to the Technical Commissioner.
