Talliki Vandanam Scheme: Funds in mothers' accounts.. Families in joy

Family members are expressing happiness as they are receiving messages from banks on their phones. Meanwhile.. The coalition government is fulfilling the promises made in the elections one by one. It has already implemented pension hike, Anna Canteens, Mega DSC, and Deepam-2 schemes. Now, the latest of the Super Six promises, it has started the process of depositing funds in the accounts of mothers under the Talli Vandanam scheme. On the occasion of the completion

of one year of the coalition government in power, Chief Minister Chandrababu Naidu informed in a media conference yesterday (Thursday) that he is implementing the Talli Vandanam scheme as a gift to mothers. The CM held a media conference along with Minister Lokesh. As part of this, the Chief Minister handed over the Talli Vandanam vouchers to Minister Lokesh in the presence of officials. He instructed the officials to deposit Talli Vandanam funds to all eligible students. The Talli Vandanam

scheme will be applicable to 67,27,164 students in the state. The government has released Rs. 8,745 crore required for this. However, out of this Rs. 15 thousand, Rs. 13 thousand will be deposited in the accounts of the mothers and the remaining Rs. 2 thousand will be diverted to the account under the district collectors for the maintenance grant of schools. The government will also implement the scheme for students joining the first class and the first year of intermediate this academic year.

PM chairs a Review Meeting on Ahmedabad Air Tragedy

In separate posts on X, Shri Modi said: “We are all devastated by the air tragedy in Ahmedabad. The loss of so many lives in such a sudden and heartbreaking manner is beyond words. Condolences to all the bereaved families. We understand their pain and also know that the void left behind will be felt for years to come. Om Shanti.” “Visited the crash site in Ahmedabad today. The scene of devastation is saddening. Met officials and teams working tirelessly in the aftermath.

Our thoughts remain with those who lost their loved ones in this unimaginable tragedy.” Prime Minister Shri Narendra Modi today condoled the passing of former Gujarat Chief Minister Shri Vijay Rupani, who tragically lost his life in the recent Ahmedabad air disaster. Shri Modi highlighted Shri Rupani’s distinguished career, recalling his contributions across various roles, including his tenure in the Rajkot Municipal Corporation, as Rajya Sabha MP, Gujarat BJP President, and as a Cabinet Minister in the

state government. In a thread post on X, Shri Modi wrote: “Met the family of Shri Vijaybhai Rupani Ji. It is unimaginable that Vijaybhai is not in our midst. I’ve known him for decades. We worked together, shoulder to shoulder, including during some of the most challenging times. Vijaybhai was humble and hard-working, firmly committed to the Party’s ideology. Rising up the ranks, he held various responsibilities in the Organisation and went on to serve diligently as Gujarat’s Chief Minister.”

‘I can’t believe I survived’, says lone survivor of Air India crash in emotional meeting with PM Modi

front of my eyes -- the noise, the impact, the fire. I somehow found a small space to escape.” Describing the terrifying seconds before the crash, he said, “After take-off, the aircraft seemed to stall briefly. Then it suddenly nosedived and crashed into the building. I was on the opposite side of where the plane hit. That saved me.” Ramesh, who was seen

walking away from the wreckage despite his injuries, added that he was receiving good medical care. Prime Minister Modi also visited the Civil Hospital and met with several injured victims of the crash, many of whom are students of the BJ Medical College. The hostel that bore the brunt of the impact was filled with young MBBS students, many of whom had no

time to react when the plane hit the building. The ill-fated Boeing 787-8 Dreamliner was en route to London when it crashed shortly after takeoff from Sardar Vallabhbhai Patel International Airport on Thursday. It slammed into the hostel of BJ Medical College in the densely populated Meghaninagar area, just 3 km from the airport. The crash occurred around 1.30 pm -

Offered fullest support: EAM Jaishankar speaks to UK, Portugal, Canada over Air India plane crash

assistance with identification, repatriation, and communication with bereaved families. Emergency services continue recovery efforts at the site, while DNA testing is underway at BJ

Medical College to identify remains too severely damaged for visual recognition. Several families from across India, including those from Gujarat, Maharashtra, and Uttar

Pradesh, are still awaiting confirmation of their loved ones. The Indian government has assured a thorough investigation into what is now considered one of the deadliest aviation disasters in recent Indian history. Authorities from the Directorate General of Civil Aviation (DGCA) and Air India are cooperating with international agencies to determine the cause of the crash.

Supreme Court grants bail to Kommineni..

arrested and is currently on remand. He has approached the Supreme Court for bail. Kommineni applied for bail in the lower court. However, he approached the Supreme Court while his bail petition was pending there. The bench of Justice PK Mishra, which heard the petition on Friday, granted bail and ordered his immediate release. The Supreme Court once again advised

Kommineni not to make obscene comments on Amaravati. It warned him to be more careful in the future. It said that bail is being granted subject to the conditions imposed by the lower court. A bench of Justice Prashant Kumar Mishra and Justice Manmohan clarified that the trial court will give all the conditions related to the release.

ters in recent Indian history. Authorities from the Directorate General of Civil Aviation (DGCA) and Air India are cooperating with international agencies to determine the cause of the crash.

Tata Sons Chairman's key assurance regarding Air India crash

them with full cooperation in this process. Those who have been trained He said that after we establish the facts, we will be transparent about how this accident happened. In this context, he asked for patience in terms of speculation. He said that only trained investigators can determine why a normal plane turned

into such a big disaster. Air India.. belongs to the Tata Group. The airline was officially taken over by the Tata Group on January 27, 2022. This happened after 69 years. Air India was founded in 1932 by JRD Tata. The danger is like this.. The Boeing 787 Dreamliner, flying from Ahmedabad to London,

crashed shortly after takeoff from Sardar Vallabhbhai Patel International Airport on the afternoon of June 12. Out of 242 people on board, 241 lost their lives, including 12 crew members. The Tata Group has already announced a compensation of Rs 1 crore to the families of each person who died in the accident.

Former Gujarat CM Rupani's last rites to be held in Rajkot today

proceeded directly to their Gandhinagar home. Leaders from various quarters have been visiting his Gandhinagar residence to offer condolences to his wife, Anjali Rupani, and the grieving family. Several senior BJP leaders, including Cabinet Minister Mulubhai Bera, Kunvarji Bavaliya, Kuber Dindor, Bhanu Babaria, and Union Minister Parshottam Rupala, have paid their respects at the residence. Government officials have also visited the grieving family to express solidarity during this time of loss. Prime Minister Narendra Modi personally met with

Anjali Rupani and other family members to extend his condolences.In a post on social media platform X, PM Modi wrote: "It is unimaginable that Vijaybhai is no longer among us. I've shared a decades-long bond with him. We worked shoulder-to-shoulder during some of the most challenging times. He was humble, sincere, and deeply committed to the ideology of the party. Rising through the ranks, Vijaybhai held key positions in the organisation and went on to serve Gujarat as its Chief Minister with great dedication." Vijay Rupani began his political journey with the

Rashtriya Swayamsevak Sangh (RSS) and Akhil Bharatiya Vidyarthi Parishad (ABVP) before becoming an active BJP worker. He rose through the ranks of the party, serving as the Rajkot Mayor, a Rajya Sabha MP, and the Gujarat BJP President. Known for his disciplined and low-key style, he held key portfolios in the state cabinet before being appointed Chief Minister of Gujarat in 2016. During his tenure, he focused on infrastructure development, digital governance, and industrial investment in the state. Rupani remained a dedicated party loyalist who carried out the BJP's

Talliki Vandanam: YCP should stop spreading false propaganda on the issue of paying homage to mother. Otherwise..: Lokesh

do not do so, legal action will be taken against them. False allegations will not be tolerated as in the past. Those who make baseless allegations will have to pay the price,' Lokesh warned the YSRCP propaganda mob. Meanwhile, Minister Lokesh clarified that the transfers of teachers will be completed by Monday. 'We have brought wonderful reforms with everyone's approval. 'Andhra Model Education' will stand as an example for all states in the country. All people are requested to enroll their children in government schools. Salute to the mother. The government is ready to benefit as many people as are eligible. The previous government gave Amma's blessings to only 42 lakh people. The coalition government is implementing the scheme for 67.27 lakh students. We will give it to those who are

still eligible,' Lokesh said. Lokesh said that Rs. 3,405 crore more is being spent on the Mother's Salute funds than the previous government. "So far, funds have been deposited in the accounts of 18.55 lakh beneficiaries. We have increased the one teacher per class policy in 9,600 schools. This policy was implemented in only 1,200 schools in the previous government. If funds are not deposited due to technical problems, we will resolve it through WhatsApp complaints. 2 percent of mothers' accounts are inactive. We have alerted them through messages. We have taken up the task of providing school kits to children through Dr. Sarvepalli Radhakrishna Vidya Mitra," Lokesh revealed. Lokesh informed on this occasion that government students are being provided mid-day meal with rice.

Black Box recovered as authorities begin probe into Ahmedabad plane crash

investigators clues to what went wrong, from technical failures to human error. It is actually two components packed into one casing with the first being Flight Data Recorder (FDR), which records the technical data of the aircraft like speed, altitude, engine performance, and navigation details. The second component is Cockpit Voice Recorder (CVR) which stores audio from the cockpit, including pilot conversations and other sounds from the flight deck. Moreover, Gujarat Anti-Terrorism Squad (ATS) also recovered a Digital Video Recorder (DVR) from the debris of the plane which holds crucial CCTV footage or cockpit data from the vicinity, helping decode what happened in those final moments before the crash. Meanwhile, family members of the passengers arrived in Ahmedabad to identify their deceased relatives. As many as 192 samples were taken for DNA test. Students, professors, family members, and staff vacated the hostel

building, where the crash took place, and were shifted to alternate accommodations.The rescue team confirmed that the rescue operations have been completed at the site. The Air India Boeing 787-8 Dreamliner, operating as Flight AI171 from Ahmedabad to London Gatwick, crashed shortly after takeoff on June 12, plummeting into a densely populated area near BJ Medical College. The crash led to the deaths of 241 of the 242 people on board. The sole survivor, a British national of Indian origin, is currently under medical care. Among the deceased are 53 British nationals, seven Portuguese citizens, and one Canadian national, making the tragedy an international one. The Ministry of External Affairs (MEA) has since been coordinating with affected countries, offering full assistance with identification, repatriation, and communication with bereaved families.

DGCA issues additional safety guidelines for Air India’s Boeing 787

Civil Aviation (DGCA) on Friday issued guidelines to Air India for additional safety inspections and measures to be carried out before the operation and maintenance of the aircraft. In an order issued here, the aviation regulator stated that an Air India Boeing 787-8 aircraft operating flight AI-171 (Ahmedabad to Gatwick) met with an accident on Thursday. As a preventive measure, the DGCA has directed Air India to carry out additional maintenance actions on Boeing 787-8/9 aircraft equipped with Genx engines, in coordination with the concerned regional DGCA offices. These measures will come into effect from June 15, the order said.The DGCA stated that, as part of aircraft maintenance and pre-flight drills, inspections must be carried out for fuel parameter monitoring and relat-

ed system checks, cabin air compressor and associated systems, electronic engine control system testing, engine fuel-driven actuator operation testing, oil system inspection, and serviceability checks of the hydraulic system. In addition, a review of the flight readiness parameters should be conducted, and a 'flight control inspection' must be included in the transit checks until further notice. A power assurance check should be carried out within two weeks, and maintenance actions on Boeing 787-8/9 aircraft must be ensured at the earliest based on a review of recurring faults observed over the past 15 days. The DGCA stated that the complete report of the above-mentioned inspections must be submitted to the DGCA for review.
