Aniruddha Singh Ribada will be sent to jail again, two shocks at once

Rajkot The High Court has ordered Aniruddhasinh Jadeja of Ribada to appear in the then MLA Popat Sorathia murder case within four weeks. The order of Jail Superintendent T.S. Bist to release Aniruddhasinh Jadeja from life imprisonment in the Popat Sorathia murder case has been rejected and Aniruddhasinh has been ordered to surrender. In addition, he has been ordered to appear daily and surrender his passport. Aniruddhasinh Jadeja and his son Rajdeepsinh Jadeja are currently being sought

by the police in the Amit Khunt suicide case. In the Amit Khunt suicide case, the Gondal court has also rejected the anticipatory bail application of Aniruddhasinh Jadeja on August 19. Earlier, the court had also rejected the anticipatory bail application of his son Rajdeepsinh Jadeja. Gondal taluka police have registered a case against Aniruddhasinh for abetting Amit Khunt to commit suicide. Aniruddhasinh has been shown as absconding in the police charge sheet. Thus, Aniruddhasinh is in a position to go to jail for the

second time. In 2018, the then Jail IG Bisht pardoned Aniruddha Singh in the 1988 Popat Lakha Sorathia murder case, which was acquitted by the Gondal Sessions Court in 1994 due to lack of evidence. After that, the government appealed to the Supreme Court under the TADA Act. The Supreme Court sentenced Aniruddha Singh to life imprisonment on 10 July 1997. However, after 3 years, the police were able to catch him, that is, they sent him to jail in 2000. Aniruddhasinh Jadeja's son wrote a letter to the then Jail IG T.S. Bisht on 29 January 2018, requesting his release on pardon. Considering this letter, he was released from jail. At that time, Aniruddhasinh Jadeja had served 18 years of imprisonment. Thus, Aniruddhasinh Jadeja was pardoned and released in the year 2018. Hareesh Sorathia, the grandson of the deceased MLA, had filed a petition in the Gujarat High Court to quash the pardon of Aniruddhasinh Jadeja. 22-year-old Aniruddha Singh killed the then MLA On August 15, 1988, at a flag-waving program at Sangram Singhji High School in Gondal, the then MLA Popatbhai Sorathia was shot dead by Aniruddhasinh Jadeja. On August 15, 1988, during the Independence Day celebrations, the then Congress MLA Popatbhai Sorathia was shot and killed in public during a flag-waving program. In this case, Aniruddhasinh Jadeja of Ribada, who was sentenced to life imprisonment under the TADA Act, was released in 2018 after being pardoned.

India is a source, destination and transit country for women being trafficked for the use of forced labor and commercial sexual exploitation. Women's Equality Day is observed annually on August 26 to commemorate the 1920 ratification of the 19th Amendment to the US Constitution, granting women the right to vote. This day highlights the ongoing struggle for gender equality, acknowledging progress while emphasizing the work still needed to achieve true equality. Women are being held in debt bondage and are very vulnerable to forced labor working in rice mills, brick kilns, and agriculture and in embroidery factories. Interestingly, a television debate concluded that divorce rates and women empowerment are directly proportional. Empowered though, women's status has not been any better, thanks to honour killings, call-centre atrocities, female infanticides and you name it. Imagine a world without it! The world of work is changing, and with significant implications for women. On one hand, we have globalization, technological and digital revolution and the opportunities they bring, and on the other hand, the growing informality of labour, unstable livelihoods and incomes, new fiscal and trade policies and environmental impacts-all of which must be addressed in the context of women's economic empowerment. It has rightly pointed out that "Single means much more than living life your way". It is found that a single woman faces many psychological and emotional hurdles because of the traditional views of society. The class of single women

Equality's Pulse

with a new status may be the direct result of the new concept of women's development. One would find that facilities in our country to welcome this new trend are still inadequate and young women will have to be trained for such a possibility. There are many single women who are self-confident and have a positive self-image. Women prefer to stay single because it gives them the right to live the way they liked and utilize their income the way they wished. In India, a good number of women have begun to remain single and they have valued their independence regarding physical matters and decision making. Our society needs to change, to help the single women to stand on their feet with dignity and pride. The phenomenon of being single either by choice or by circumstances, is a deviation from traditional expectations but both the family as well as the women themselves need to redefine their concept of suitability of a marriage partner. Inter-cast or inter-religious marriages could be encouraged as this would broaden the range of choice of partners. Society should stop exploiting them and respect their right to be happy and independent.

Crimes rates against women are much higher in big cities than in either small cities or rural areas. Time has helplessly watched women suffering in the form of discrimination, oppression, exploitation, degradation, aggression, humiliation. In a country where women and girls are traditionally revered as the Mother and the Goddess, this is simply unacceptable. A society that is unable to respect, protect

and nurture its women and children loses its moral moorings and runs adrift. The major lacuna in the laws is that they are not gender neutral. Many women and their family members, therefore, misuse them to settle scores, intimidate and harass the husband and his family. It is not uncommon to project self-inflicted injuries as assault by husbands. Sensitivity training and knowledge of the rights of women and children are

another vital need and must be made mandatory for all law enforcement agencies. To increase the reporting of such cases at first we need to empower the women and children. They must be educate on their rights and encourage them to come forward to register the cases. There are many violent cases but due to stigma in the society very few are reported. The problem cannot be solved by the government alone but by a national

awakening involving the entire country and civil society. A nationwide campaign is needed to reignite India's core values and traditions that respect and nurture women. Let us honor the progress made toward gender equality while acknowledging the continued efforts needed to create a fair and just society for all.
