Indian equities advanced on firm macroeconomic footing, showing clear signs of recovery in May: PL Asset Management

Ahmedabad, According to PL Asset Management, the asset management arm of PL Capital Group (Prabhudas Lilladher) 'PMS Strategy Updates and Insights' report, Indian markets posted modest gains relative to global peers, with strong breadth as mid and small caps outperformed, driven by robust gains in cyclical sectors, especially defense. The report highlights India's ongoing macroeconomic strength, with robust tax collections, easing inflation, strong PMI performance, and rising foreign exchange reserves supporting the country's growth trajectory. Mr. Siddharth Vora, Head - Quant Investment Strategies & Fund Manager, PL Asset Management and Executive Director, PL Capital - Prabhudas Lilladher said, "India's resilient macroeconomic landscape, coupled with improving global sentiment, presents a constructive backdrop for equity investors. AQUA's adaptive quant approach continues to navigate this evolving environment by dynamically aligning with sectoral and factor trends to optimize(13-9)

Samsung Solve for Tomorrow Ignites a Nation of Problem

Ahmedabad, From the sunlit classrooms of Jaipur to the buzzing lecture halls of Nagpur, a powerful question echoed across campuses: "What problem will you solve for India?" That question lies at the heart of Samsung Solve for Tomorrow, a national innovation challenge that is transforming students into changemakers-and campuses into launchpads for the future. After a powerful launch on April 29, the design thinking workshops and college Open Houses swept across India-reaching not just major metros but also the vibrant heartlands of the Northeast. Samsung Solve for Tomorrow 2025 will provide INR 1 crore to the top four winning teams to support the incubation of their projects, along with hands-on prototyping, investor connects, and expert mentorship from Samsung leaders and IIT Delhi faculty.

At Neerja Modi School in Jaipur, over 1,000 students filled the auditorium with their ideas, ambitions, and dreams. Among them, Naman Lakhani found himself thinking beyond textbooks: "I've always wanted to build something that could solve real-world issues. Samsung Solve for Tomorrow showed me that someone out there actually wants to listen to us-and help make those ideas real. (20-4)

Hum Paanch fame and veteran actress Vandana Pathak return to Television

Ahmedabad, In a society where relationships and marriage are often defined by age-old traditions, where factors like age, financial status, and social background hold great significance. But love doesn't follow rules-it charts its own course, breaking barriers along the way. For decades, Zee TV has been known for progressive and emotionally resonant stories over the years, and is all set to present a refreshing new fiction offering - Tumm Se Tumm Tak. At the heart of this unconventional love story lies a poignant connection between two very different individuals: Anu, a 19-year-old spirited young woman from a modest background, and Aryavardhan, a 46-year-old disciplined and self-made business tycoon. Their bond challenges societal expectations, raising questions about love, age, and acceptance. While Niharika Chouksey and Sharad Kelkar have been cast in the roles of Anu and Aryavardhan, respectively, adding depth to this stirring narrative is the much-anticipated return of popular television actor Vandana Pathak, who is making her comeback after a five-year hiatus. She steps into the role of Gayatri Devi. (20-4)

The vacation of the forest kings begins in the Gir forest

Gir Somnath, Gir Sanctuary will be closed for tourists from June 15 to October 16. This period is considered the mating season for the lion species. The condition of the dirt roads in the forest also deteriorates during the monsoon. Gir forest has become a major attraction for tourists from home and abroad. Tourists can enjoy lion viewing from two places. One is the free-roaming lions in the reserved Gir forest and the other is the lions living in the mini forest of Devaliya Safari Park. Lion watching in the reserved forest remains closed during the monsoon. Devaliya Safari Park is open when there is no rain. So far in 2024-25, 8 lakh 50 thousand tourists have gone lion watching. The number of tourists is continuously increasing.The forest is closed to tourists to avoid disturbing the lions during their mating season.
